I KNOW YOU ARE WITH ME

John & Anne Lazenby (c) 2016 Backstage Revival Music

```
Verse 1
D5
            F6
                                      F6
                            D5
 You are my God in times of trouble
                        D5
  I will call on You for help
                      D5
         F6
                                F6
 I can't see into the future
D5
        F6
                              F6
 So I rely on You to guide
Chorus
                           F6
                                         D5
                                                F6
                                                       D5
                                                           F6
           G6
   Cause I know... Yes, I know, You are with me
Verse 2
          F6
                         D5
                                     F6
 When the dark - ness surrounds me
                                       F6
 And I feel pressure from all sides
             F6
                                       F6
 And I can't see beyond the shadows
D5
                        D5
 I will look to You for light
Chorus 2 and Bridge
                           F6
                                         D5
                                                  F6
                                                      D5
    Cause I know... Yes, I know, You are with me
                           F6
                                   C2
                                        G/B
                                                    C2 G/B D5
           G6
                                              D5
    Cause I know...
                    Yes, I know...
           G/B
                    D5
     I will not be afraid
              G/B
     Though I walk through the darkest place
                G/B
     As long as You're by my side
                     G/B
     I'll trust Your hand and guiding light
Verse 3
              F6
D5
                       D5
 when death's door is upon me
              F6
 And You tell me it's time to go
        F6
 I will lean upon Your spirit
             F6
D5
 To guide me on to heaven's home
```
